DOING THEIR DUTY

Scores of Norway Readers are Learning the Duty of the Kidneys.

To filter the blood is the kidneys' duty.

When they fail to do this the kidneys are sick.

Backache and many kidney ills follow.

Urinary trouble, diabetes.

Doan's Kidney Pills cure them all. Norway people endorse our claim.

S. C. Foster, Main St., Norway, Me., says: "I have used Doan's Kidney Pills and am able to speak highly in their favor. Several years ago my kidneys began to trouble me and learning of Doan's Kidney Pills, I procured a box. It was not long after commencing their use that I felt much better. I was free from kidney trouble until recently, when a cold brought on another attack. I procured Doan's Kidney Pills at Stone's Drug Store and after taking a few doses, I was relieved of every symptom of the trouble. Whenever I have taken this remedy since then, it has never failed to help me and I, therefore, speak highly in its favor when an opportunity occurs."

A Winter's Night.

Stray Thoughts. Let the wild winds without. Bring their strong weird fancies. Make more gloomy the darkness. And the fierce raging storms. Through valley, o'er hill side. Dispel their mad and long. And hurl forth their might.

May no waves of sorrow. Or fierce gusts of grief. O'erwhelm my soul. Through the night's lonely hour; I will wear a crown of glory. Turret around me. But listen with rapture. And awe at all things.

God save the poor, mariner Tossed by the billow. On the sea's beaten shore; Whistling through the long night. He comes with his mad waves. And prays that his loved ones. May greet him once more.

And as pilgrim of pain. On his weary journey. Around whom the breakers. Do foam and surge. Guide thou his lone footsteps. O'er life's rugged pathway. Till he reaches the glad light. Of a more perfect day.

A day where no sorrows. Can ever oppress him. That's never more end. In the night of the tomb; Shines forth in its brightness. And fair flowers perennial. Eternally bloom.

And they who have left us. To cross the dark river. Did they reach it in safety. The far distant shore? Are they free from those harrowing. Will they greet us again. When life's breakers are o'er?

O strong be our faith! For Christ is our Captain. If we trust in His word. Our foundation is sure; Though the journey be long. He'll give strength for each conflict. And a weary life. Shall find grace to endure.

O thou to whom fierce winds. Did cease at thy bidding. And every danger. Waters were still. O calm all our wild fears. And soothe all our doubts. To Thy holy word. Thou lightest our path. On the wide pathless ocean. Through the haven of rest. For he is bid from our view. Far above the wild storm cloud. The north star is beaming. Thy beacon is lighted. His compass is true.

And when gathering shadows. Oursure the future. Then bid all thy darkest. Forebodings to cease. Let the bright stars of hope. Shed its luster around thee. And fill thy sad heart. With sweet comfort and peace.

Then let the wild billows roll. All around and about thee. And break o'er thy lone barge. Into foaming white crests. On the sure wings of faith. We'll outride them in safety. And anchor at last. In the harbor of rest.

Lovelorn.

Here, where once your love was nurtured. In the heart within my breast. There, while yet it stayed, was cultured. Sweet content and joy has been. Now my every joy has happiness. Since your heart has colder grown; All the lovely joys have been. Are as if they never were known.

All the gleaming stars, they watch me, And the moon up there among them. Nods, and shakes his wise old head; While the moonlight softly beams. And his lips, they in my dreaming. Seem to say, "I told you so."

Now my heart is lonely, lonely. Highest hopes afar have fled; My one prayer is only, only, "Give each day my daily bread."

Greatest of ambitions vanished. From a heart that once was brave; Now an automaton beating. Waits a casket and the grave.

Back! the happy birds are calling; Calling to a life that's new. Yester's tears from Heaven falling. Cover all the flowers with dew; Every morning the birds new life; All that past is far away.

By today's smiles and caresses. What are tears of yesterday? THE DREAMER.

Clever Women Always Keep their Hair Fascinating and Free from Dandruff.

Almost everybody in Norway knows that there is no preparation for the hair that compares with Parisian Sage. It cures dandruff, stops falling hair and itching scalp in two weeks, or money back.

It puts radiance and luster into that dull, lifeless hair that many women possess, and does it in a few days.

On March 25, 1904, Lulu D. Fox of Rappah, Va., wrote "Parisian Sage is a wonderful hair restorer; it stopped my hair from falling out and stopped my scalp from itching; also cured the dandruff."

Parisian Sage is sold by Frank Kimball, prop. of the Norway Drug Store for 50 cents a large bottle. 41-42

American Valor.
Addison S. Bean, of West Bethel, has the picture of the famous old war engine (General) now in the Union depot, Chattanooga, Tenn.
The engine General, made famous by the Andrews Raiders, has been sent to Chattanooga, Tenn., by the Nashville Chattanooga & St. Louis railway, and given a prominent place in Union depot. It is there to remain permanently as a monument to American valor, and can be seen at any time by travelers passing through Chattanooga over this railway. The picture is lithographed in colors, is 25 x 18 inches, and the story of the General goes with each picture, giving the names of the Raiders and those who captured them.
General Alexander Shaler of the 1st Brigade, 3d Division, 4th Army Corps, has written his old cook, Addison S. Bean, a long letter giving his experience. While in Rebeldom he was taken prisoner on May 6th, 1864, at the battle of the Wilderness and taken to several prisons, and at last was sent to Charleston, S. C., and set up with a squad of fifty officers, in front of our guns that were bombarding that city.
Our Government retaliated by putting an equal number of Johnnies before their guns, which brought them to terms and they were glad to exchange. He says he has nothing to complain of while a prisoner.
"Cook" Bean says "I had just given him his supper and was at his horse's heels when the charge was made and I got out all right, racing two shots through my blouse over the hip. My legs did duty if they ever did. I gave him his last supper in the Union army, and had not heard from for 44 years. He resides now at Ridgely, N. E."
"I received a letter about the same time from his Adjutant General, giving me a high compliment on my cooking while at head quarters. He is now located in New York City. Adjutant Rome was badly wounded while with Sheridan in the Shenandoah Valley, in the summer 1764. He was a fine and brave officer."
"I also have a letter from my old Captain, E. C. Kittle of the old Chasseurs, numbered 65th, N. Y., in which he gives me a high compliment. He said: 'While at Camp Cochran, D. C., I used to go and bring his little boy, one and one-half years old to camp, and his wife took dinner with us. I have just received his and his family's pictures. His son is manager of the Chicago Fire Department, and his daughter is a teacher in the public schools in New York City, with a salary of \$1,200 per year.'"

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure, or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

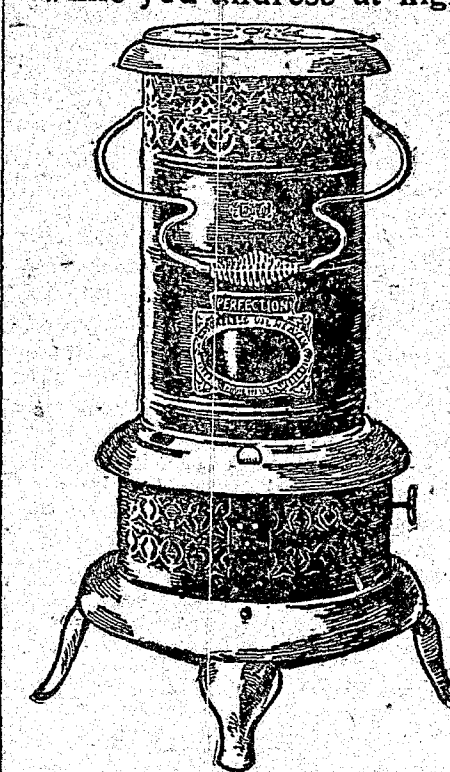

Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. Swamp-Root corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root— if you do you will be disappointed.

Temporary Heat Quickly

Did you ever stop to think of the many ways in which a perfect oil heater is of value? If you want to sleep with your window open in winter, you can get sufficient heat from an oil heater while you undress at night, and then turn it off. Apply a match in the morning, when you get out of bed, and you have heat while you dress.

Those who have to eat an early breakfast before the stove is radiating heat can get immediate warmth from an oil heater, and then turn it off.

The girl who practices on the piano in a cold room in the morning can have warmth from an oil heater while she plays, and then turn it off.

The member of the family who has to walk the floor on a cold winter's night with a restless baby can get temporary heat with an oil heater, and then turn it off. The

The best way to carry Ashes is in a Hod!

Crawford Ranges

Have an Ash Hod in the base into which all the ashes fall far below the fire. They can't bank against the grates and warp them, and they can be emptied easily without spilling.

The Coal Hod is alongside the Ash Hod—out of the way. This feature is a wonderful labor and trouble saver and is patented.

Another trouble-saver of the Crawford is the patented **Single Damper**. One motion—slide the knob to "kindle," "bake" or "check"—the range does the rest. No damper mistakes.

The **Oven** has cup-joint heat flues that heat it alike in all parts.

Ask the Crawford agent to show you and write us for circular.

BETHEL.
 Powers-Oliver.

A very pretty wedding was solemnized Tuesday, Oct. 4 at the residence of Mr. and Mrs. Joseph Oliver at Middle Inter-ville, Bethel, when their only daughter, Millie Oliver, was united in marriage to Harold L. Powers. The ceremony was performed by their pastor, Rev. C. L. Banghart.

The day was unusually balmy and pleasant, all nature seeming to smile on the coming nuptials.
 At an early morning hour the guests began to arrive until about 50 relatives and friends were present. The bride was prettily gowned in pearl white, with a veil of lace and a crown of white roses. She carried a bouquet of white roses. The groom wore the conventional suit of black.

Promptly at 12 o'clock to the strains of Lohengrin's march played by Mrs. C. L. Banghart, the bridal party appeared and stood under a beautiful evergreen and floral arch. The single ring service was used, the ring being carried by little Elaine Bean, a cousin of the bride. The maid of honor was Minnie Wilson and the best man, Stephen Abbott, both of Bethel.

After the usual congratulations, a delicious lunch was served.
 There were many beautiful and useful presents, one being a gold watch, the gift of the groom.
 The traveling suit was of navy blue chiffon Panama with trimmings of white satin and silk braid embroidery, the whole outfit embracing many yards of hand-made lace, the handwork of the bride and her mother.

The guests from out of town were, Mrs. Sargent of Errol, N. H.; W. A. Powers of Newry; Mr. and Mrs. Marshall Evans of North Lovell; Mr. and Mrs. W. H. Powers, Jr., Geo. S. Magill and Mr. and Mrs. Adamson of Bethel; Mrs. Frank Cummings, Mrs. W. F. Bean and Mrs. Mary E. Jordan of Locke's Mills. Later in the afternoon an auto arrived to convey the happy couple to the train, they were plentifully showered with rice, and a few old shoes found their way to the rear of the auto and they departed for Bryant Pond where they took the train on route for Boston and vicinity where they planned to spend about a week, when they will return and settle on the old Oliver homestead. The best wishes of a host of friends went with them.

A Narrow Escape.

Our village had a narrow escape from a disastrous fire, last Monday forenoon. An over heated chimney in the Prospect hotel, started a fire in one of the rooms on the upper floor, which was discovered just in season to prevent its spread to the other rooms. A few minutes more and the upper part of this hotel would have been a mass of flame. The wind was blowing a gale, sweeping up and across Broad street in a way that would have made it impossible to save anything in the line of the fire had it had a few minutes more to get well under way. Our citizens feel that it was a narrow escape from a calamity to our village.

Fryeburg Fair.

For the first time in the history of the Western Oxford Fair it was really a three days' fair. All the exhibits were in place Tuesday forenoon.

Among the large exhibitors of cattle were H. Lord's of Denmark, fine herd of Herefords. John Potter showed a herd of thoroughbred Holsteins. Brooks of Freedom, Herefords. J. L. Pendexter of Herefords. 16 thoroughbred Jerseys. Ernest Webster showed Holsteins with some fine looking animals; H. D. Harnden's short horns; Frank Black of Freedom had some handsome steers. All the oxen were out in force.

Besides the herds there were innumerable small entries of stock. E. F. Clements of Hiram was out with his famous Holstein oxen, that have won blue ribbons at all the big fairs. Master Earl Shirley held the goat over a pair of steers.

Ex-Gov. Frank Black of New York had steers from home in Freedom.

L. E. McIntire of Waterville and E. W. Penley of West Paris judged the stock.

A Daughter's Part At Home.

One of the sweetest things a girl can do is to receive friends graciously, particularly at home. In one of our houses a formal manner is peculiarly fitting. Do not stand off in the middle of the room and bow coldly and formally to the friend, who has called. Walk over to meet her; give her your hand, and say pleasantly that you are very glad to see her again.

A daughter's part is to assist her mother on every social occasion. Part from and more important even than her manner to a guest, who drops in for an hour or day is the manner of a daughter to her father and mother.

The father returns to his home after a wearying day at business. He is tired in body and mind. Coming back, as his latch key turns in the home door he throws off care; he is joyful at the thought of the dear ones he will meet after hours of absence.

His young daughter, in a pretty gown, with the bloom and freshness only girlhood wears, should be ready to give him the attention he loves—the kiss, the cheery word—to help her mother and the rest in letting her father see how much he is loved at home.

Filthy Stomach.

Food Fermenting in Stomach Causes a Rank Condition.

When you have indigestion your food sours; many times it is actual, and forms gases that poison the blood.

Take MI-O-NA stomach tablets if you want to change your bad stomach into a healthy, clean one.

MI-O-NA is the best prescription for upset stomach and indigestion ever written. No matter how miserable your stomach feels, MI-O-NA stomach tablets give immediate relief.

Take MI-O-NA stomach tablets, which are guaranteed to cure indigestion, and rid yourself of dizziness, biliousness, nervous or sick headache, or money back.

Ask Frank Kimball, prop. of the Noyes Drug Store.

Take MI-O-NA tablets if you want to make your stomach so strong that it will digest the heaviest meal without distress and furnish good, clean, nutritious blood making elements to the body.

Take MI-O-NA tablets, one or two with or after each meal, if you want to get rid of that drowsy, tired out feeling.

Fifty cents a box at Frank Kimball's, prop. of the Noyes Drug Store, or leading druggists everywhere.

"I was bothered for years with stomach trouble and gastritis. Food laid like lead in stomach and fermented, causing gas to form. This caused a pressure on my heart, so that I choked and gasped for breath, and I thought my time had come. MI-O-NA cured me after I had doctored without success." Wm. V. Matthews, Bloomington, Ind., 1910.

HER WEIGHT INCREASED FROM 100 TO 140 POUNDS.

Wonderful Praise Accorded Peruna the Household Remedy

Mrs. Maria Goertz, Orienta, Oklahoma, writes:

"My husband, children and myself have used your medicines, and we always keep them in the house in case of necessity. I was restored to health by this medicine, and Dr. Hartman's invaluable advice and books. People ask about me from different places, and are surprised that I can do all of my housework alone, and that I was cured by the doctor of chronic catarrh. My husband was cured of asthma, my daughter of earache and catarrh of the stomach, and my son of catarrh of the throat. When I was sick I weighed 100 pounds; now I weigh 140.

"I have regained my health again, and I cannot thank you enough for your advice. May God give you a long life and bless your work."
